## PRESIDENT'S COLUMN

Dear Members:
Flew to Melbourne, Florida, for the International Florida Flying Alligator Club party. Many of our girls there, and a number initiated into the Alligator Club. Yours truly was initiated in 1936.

The Miami All American Air Maneuvers, January 13 to 16 , under the direction of Col. S. C. "Jiggs" Huffman was a huge success. Our 99 Club members were very much in the spotight, with Betty Skelton winning third place in the International Aerobatic contest, with famous Mr . Bevo Howard coming in second and Mr. Rodney Jocelyn, first. We are most happy to note that the bars have been broken down so that the women can oompete with the men at the Miami Air Maneuvers. Congratulations, Betty.

The beautiful little Caro Bayley set an unofficial world's altitude record of 27,510 feet. Unfortunately, Caro had only one barograph aboard and it is necessary to carry two for an official record. Great climbing, but tough luok, Caro.

The De-Icer contest--you know, Jack Mosley's "Smilin" Jack" comic strip--was one of the features of the Florida Air Pilot's Association ball. The winner was most attractive BUT I believe we have 99 Club members who could very easily walk off with any beauty prize. I can't understand why, with so many beautiful women fliers, beauty contests held in connection with aviation activities are not restricted to pilots. For while our young beauties don't always go around in sweaters, they do come equipped with De-Icers.

The Florida Chapter gave a cocktall party for the visiting 99's and Atlanta Women's Aero Club. Beautiful canapes, beautiful flowers--in fact a beautiful party. Thank you girls.

The Cuban good will flight was a huge success also. One hundred and seventy aircraft flew to Havana; Marjorie Harris an Ercoupe, Arlene Davis a Cessna 195, Frances Nolde a Navion; am not sure what types of ships the other girls flew over. But, the 99 Club was well represented.

Returned to Atlanta, Georgia, to address the Women's Aero Club. Back to Washington for two days, then to New York City for the Eighth Anniversary luncheon at the Waldorf, of the Eighth Air Force and the premier of Twelve O'Clock High, which is the finest aviation picture I have ever seen. Don't miss it. You too, husbands! Even if you didn't fly B-17's or fighter planes in the Eighth Air Force, you will still get a kick out of the picture. The majority of the flying part of the picture was taken over the lines, during World War II, end some of the flying that the famous ace of ace's, Bob Johnson, now President of the Air Force Association, did will keep you on the edge of your seats. Cy Bartlett and Bernie Leigh did a monderful job on the story. Both wore war time pilots in the Eighth Air Force.

Jecqueline Cochran set a new international record for propeller driven planes over a 500 -kilometer closed course. The speed was 444 miles per hour according to NAA, which timed the run. Congratulations, Jackie.

I leave on February 17 for Toledo, Cleveland, Akron, Chicago, Madison, Kansas City, Fort Worth, Shreveport, Little Rock and Nashville. Will be flying a CAA ship and hope to see many of you.

## ATTENTION: SECTION GOVERWORS AND CEAPTER CHAIRMEN:

Due to the early date set for the conrention this year, June 21-25, it is necessary for the Chaptors and Sections to send in lists of candidates for National Offices TMMEDIATELY\&

Not lator than March 20, we mat hear from you as to your ohoice for

One candidate for President<br>One candidate for Vicemresident<br>One candidate for Secretary<br>One candidate for Treasurer<br>One candidate for Scholarship Fund Commitee<br>One candidate for Nominating Comittee from each Section

Since our Constitution provides that "no officer shall serve more than two consecutive years in the same office", this year new people must be chosen for three out of the four offices as well as the two comittees. Blanche Noyes is completing her second term as President, Kay Brick will not be oligible again as Secretary, nor will Marjorie Fauth be eligible for another torm as Treasurer.

Each year one member must be chosen for the Scholarship Fund Committee. This Committee is composed of two Permanent Trustees, Alma Harwood and Margaret Manser, and three elected members on three yoar terms. Melba Beard and Marian Bertram continue in office but Alice Hammond's term expires in August of this year.

Former nominating oommittees have found it helpful when consent was obtained from the candidate before submitting her name to the coimittee. This will be doubly appreciated this year when the time is so short. Also, both to ald in ohoosing the nominees and for Newsletter publication before election, please submit a brief outline of the candidates qualifications with the name and consent.

Please send your list of candidates to me at the address given below and POSTMARKED NOT LATER THAN MARCH 20, 1950.

> Kalamazoo, Michigan

## TRANSCONTINENTAL AIR RACE

At the National Meeting in NYC in September, the delegates created an official Transcontinental Air Race Chairman, erpowered to select four other Ninety-IIne members as a committee to plan and conduct this event each year. Elected was Mardo Crane, Chairman. Comaittee members appointed are: Bea Medes, Newport Beach, Calif.; Betty Loufek, Compton, Calif•; Barbara London, Long Beach, Calif. 8 and Evelyn Briggz, San Diego, Calif.

Data on this year's Transcontinental Air Race 1s:
Prizes and trophies - to be announced later.
Start - Lindberg Field, San Diego, Calif. (Mary Ring, Chairman of San Diego Chapter, in charge.)
Date - Sunday, June 11, 1950
Eastern Terminus - Greenville, South Carolina. (Amalie Stane, Chairman Carolinas Chapter, in charge.)
Route - San Diego, Tucson, El Paso, Dallas, Shreveport, Meridian, Montgomery, Atlanta, Charleston, Greenvile. (Because the $x-c$ was shorter this
year than last, the committee felt that in order to make the race truly transcontinental it could run to the coast and still ond in Greanville, which offered so many induoements to entrants to come there.) RETURN via National Convention in Texpal
Rules - Tomen only; $0-300$ HP lightplanes; handi capped according to manufacturer's advertized cruising speed; entry must be filed by midnight, June 6; plane must be inquounded at Lindberg Field by 12 o $^{\prime}$ clock noon the day before the race starts (Juze 10). (For complete rules, mite Transcontinental Air Race Committee Headquarters, 8617 Rindge Avenue, Playa Del Rey, Calif.)
Fee - Total fees, $\$ 22.00$ (divided: $\$ 10-$ FAIs $_{3}$ \$2 Sporting Licenses both of these are required by NAA for sanctioned events; \$10 -- race committee fund for NAA race sanotion fee, plus race conduct expense.)

## IMPORTANT HOTICE REGARDING NEXCT YEAR'S RACE:

## The Air Race Comittee has establishod these policies rem

 garding conduct of future air races:1. All bids from cities desiring the start or finish of the air race must be submitted through a NinetyNine's chapter (since this is now a national 991s ovent), and the chapter submitting the bid mast be williag to be responsible to the air race committee for the conduct of the race in said city or cities. First bid must be presented to the Air Race Come mittee at the time of the National Convention (this year, in Texas, June 21-25). Final dotails of bids, conplete in writing, must be presented to the committee by Septomber 1 .
2. No chapter will be allowed to have the air race start or finish more than two years in suocession, unless no other bid is reoeived.

## 

## ATTENTION ALL NORTH CENTRAL CHAPTERS:

The Spring Sectional Meeting, which will be held in St. Louis, Missouri, has a special interest for you.

## A PRIZE FOR THE VISITING CEAPTER WITH THE LARGEST BONA-

 FIDE MEMBERSHIP ATTENDANCE is being offered by Mary Jeffor ds and Del Scherr, made possible by the proceeds of their perfume salas in 1949. The chapter with the most members at this meeting in April will be given ONE DOLiAR for each member present. The prize will be divided in case of a tie in numbers. These two hostesses wish to do their share in helping to promote the strengthening of bonds between all of the chapters and make this beginning on a sectional level.Come on, Ninety-Nines, and get to lenow your neighborsi Chapter chairmen will receive chapter invitations in the mail shortly. MEET ME IN SAINT LOUIE, and swell your chapter treasury.

## RBPORT FROM VIRGINIA EBERHART

## PUBLICITY CHAIRMAN

 NORTH CENTRAL SECTIONDoris Langher of Chicago has been appointed Sectional History Chairman. She is compiling a history of the North Contral Soction, which she will distribute to all of our members of this Section. That's quite a job Doris. "Good Luck." I hope everyone helps you with information that you'll need.

I guess I did pull an "April Fool" on you girls. The North Contrai Soctional meoting will be hold on April 2930 instead of April 1-2. It was thought the weather would be much better the last of April which nould cause better attendance. You might be interested to know that your Publicity Chairman is going to St. Louis, Fob. 9-19 on perscal business at the Home Show and will confer with

Rae Sullivan, our Sectional Meeting Chairman and Rae Logsdan their Chairman and other members of their Chapter.
"Colde" says she is going to begin her visiting around sometime in February, so all of you who are interested in having ber visit you, drop her a line.
"Say," you Publicity Chairmen-modon't think I've forgotten you because I haven't written much in the last two months, but believe me-when you get a daughter marriad off happily and successfully, get through the holidays, get the daughter and her husband off to Florida where they're settling, take cars of the grandchild 24 hours a day, see her through having her tonsils out, and to say mothing of my helping ry husband in his business--you find you don't have much time for other things. But I will have time from now on. You'll be hearing from me oftener.
"Hey," you girls in Florida, will someone write me, so I can look you up while I'm down there fow days. I'd like to tell you about our Publichty Program up here and perhaps you would like to do something similar down there this year. Fe're taking our grandchild down to Ft. Lauderdale sometime the last of February or first of March and will be there three or four days. Drop me a line at the Marott Hotel, Indianapolis, and well make plans to get together one of those days.

Publicity Chairmen--I mean ALL of you, Jaanna and Marjorie and Evelyn and Austa and Ethel and June and Allosaba and Mardie and Franoes and any others nom I haven't been notified about,--Pleasen-get your program started and send me your olippings or pictares or colunms or any publicity you have received in the past or get in the future. Ploase notify me if your Chapter is participating for the prize money (with $25 \%$ donated per person--to go to the winaing three Chapter's treasury). If you arer't participating for the prizes, send me highlights and publicity anyway. I will recognize your achievements and publish them beosuse everyone is interested. Come on girls -- this is for the 99's.

## ILEINOIS CHAPTER

## By: Irene Leverton

ATTENTION ILLINOIS: Meet the Wisconsin gals at our FlyIn this MARCH at OPHARE FIELD. Lunch and a swoll got together. Come dressed for a T6.

Welcome to Anne Noggle, Bennie and Bob Bosler and Virginia Lindgren. They are new 99 's, $49 \frac{1}{2}$ 'er and transfer from Tasinington respectively. Anne an ex Wasp has several years of instucting in S\&edeL and SES and two seasons of dusting to her credit. Bennie has a new private and flys a PT23 which she and husband Bob own. Bob is capt. of a United DC6 rum between Chicago and New York. Virginia comilots a DC3 for Monarch Air Service at Chicago Midway. She is worling on an ATR now, aice going.

Chalk up another fine meeting at United's Link Room last Decomber. Guest speaker Jane Robbins' talk on her experiences as a Bush Pilot in Alaska was an oducation in itself. Passengers, mining equipment, fish and polar bear hunters wers among the assorted cargo she carried in the Pt. Barro, Nome, Fairbanks and Doering areas. We hope to see pore of Jone soon. Glad to see Erlyn Conel and Ruth Spietz again among tine 35 members present. Grai bag gifts and refreshments served by the Progran Coumittee ended things with the proper $\overline{\mathrm{n}}$-Mas Spirit.

X-C Notes: Jessie Anderson got some T6 time in on a trip to Ponca City, Oklahoma and back. Bea and Vern Siemor completed a trip to the Fest Coast and back via the Grand Canyon in their Cessna 170. Marion Niedert hopped down to Champaign logging time for that coumercial. As an ex-Wave she flys 140 s on the G.I. Program at Sky Harbor. Evelyn and Glen Martin took 2nd place in The Flying Fish Club's all seaplane E.T.A. Race with a J3. They finished minutes behind a Sea Bee. Olive and Arthur Tuttle scootod up to Japesville in a 140. Olive gave her nephews, 6, 9 and 12, thair first aerial view of the snowy land-
scape. Mille Carlson of Jnited's Meteorology Dept. Joined the Rivarside Flying Club and has checked out in their 140. She hopes to have a commercial this summer. Congratulations to Brelyn Staedeli of Peoria who is now a commercial pilot.

We're losing Mae Kilson who is going to Kansas to live. Most of her 5300 hours have been logged while instructing pilots hereabouts. Lots of luck to you Mae, from all of us. 2nd and 3rd place in the City and State Archery Chamionships went to Hazel Hackwith. She promptly flew to Minnesota's North Woods to try the bow and arrow on deer. Our archery champion of several years atanding learned to use snow shoes and went fishing thry the ice. The cylinder head temperature of Hazel's fevorite Luscombe has been on the Green Line since her arrival home. Doris Langher spent the holidays in L.A. doing a lot of akiing in the mountains and logging Bonanza time at Van Nuys Airport.
This chapter's thanks to Regina Devine and Jessie Anderson for spending so much time and energy on our behalf. Though teaching at Crane Tech, Regina has always found time to fulfill her duties effioiently and quietly. She is North Central Section Secretary and Chairman of our Ways and Means Comittee. Jessie has long been an Air Marking leader and did a fine Job as Program Chairman in 149, hardly ever missing a meeting though she lives in Elgin.

## INDIANA CHAPTER

By: Dorotha E. Hendricke
Our Chairman, Charlotte Foland, has asked me to step into reporter Dot Perry's shoes. She stepped out of them when her company transferred her to St. Louis. We will miss you, Dot, and we will be looking forward to visits from jou and.more of those fascinating stories. Dot's new address is Catherine Springs Hotel, 220 N. Spring Ave., St. Louis, Missouri.

Quite a number of members, their $49 \frac{1}{2}$ ers, and guests enjoyed a Christma party at the lovely home of Violet Bauermeister in West Terre Haute. What wonderful food A gift exchange and a short business wes held. Postal cards with our insignia were offered for sale to the members.

On January 15, fourtoen members "floated" in for lunch in the Skyline Room at Feir Cook Airport, Indianapolis. The business meeting was held in the schoolroom of Capital Air Sales.

He were glad to see Doris Hurt at the meeting. She is working with Trans-Canada Airlines in Chicago since getting her degres at Purcue University.---Flight Instructor Evelyn Bottema NeGraw has deserted Florida for awhile, and has joined our chapter again. Welcome back, Lynnd--One of our new members is Delethia Nicholas of Indianspolis. She has a flock of ratings, Commerical, Instrument and Ground School. We are very proud to have her join us.---
"Little Doc" Retherford and her $49 \frac{1}{2}$ er took off in their Ercoupe in January for some sunshine at Bradenton Beach, Florida.---Marie Thowpson spent the Christmas holidays with her parents in Florida.
Nellie Evans and Phyllis Hapt have invited us to Marion on February 19, for a hangar lunoh and meeting. See you there:

## KENTUCKY CHAPTER

By: Austa Shepherd
Kentucky Ninety-Nine Chapter although small in number is proud to have $100 \%$ renewal in membership this year.

Greenwod Cacanougher's door mat must have read "Welcome Pilots Only" on December 31 when her howe was the setting for the marriage of Ann Heisler of Mansfield, Ohio, a member of the All Ohio Chapter to Major William O. Ash of Mansfield. The attendants were Marjarie Newcomer. also a member of Ohio Chapter and James Gorman III, both of Mansfield. . The five members of the wedding party were all pilota with a total of approximately 12,000 hours.

Xentucly Chaptor held the first meeting in 1950 in LouisVille on Sunday, January 22. The business meeting was presided over by Georgia Heitkemper. The other new officers are Marilyn Haley, Vice-Chairman; Jane Ralston, Membership Chairman and Dorothy Shelton re-elected Secretary-Treasurer. All members were present except Dorothy Shelton who is away in college and Lt. Mayrell Johnson, serving active duty with the WAVES in Washington, D. C. Lt. Johnson is from Murray, Kentucky, and we hope to have her back with us soon.

The Connecting link, the trade magazine of the Link Aviation, Inc., published last November carried a U. S. Air Force Photo of one of the Kentucky Ninety-Nines, Greanwood Cocanougher, and her son, Capt. Archie L. Roberts. The picture was taken last summer when Cokie landed at Tinker Field, Oklahoma City, to visit her son who is Flying Safety Officer there.

Since the date of the convention in St. Louls has been ohanged from April 1 to April 29 and 30, we anticipate better flying weather and hope to have several members make the flight.

Our February meeting will be held in Frankfort, Eentucky at the Capital Hotel on the 26 th.

## MTCEIGAN CHAPTER

By: Zita Snyder and Bernice Easter
Apologies for missing the November Newsletter, but due to the excitement of the 20 year celebration in New York and new appaintments of officers, wo just plain slipped up.
NCVEMBER REPORT: The clubhouse at the Cescades in Jackson, Michigan was the meeting point on November 13 under the efficient guidance of Velta Skutt, Barbara Cradit and Jean Prina. An excellent luncheon was enjoyed by the 99ers and 49 gers present. Colored slides of 99 events, furnished by different members, were show and much appreciated. Nita Barry had the kindness to tell us about her trip to Europe of last spring. Adele Binsfield reported on the New York convention trip. All this made the meting a most interesting and enjoyable one.

DECENBER MEETING: Alice Hammond, a gracious hostess as usual opened her Grosse Point Ferms home wide to the annilal Christmas party, Dec. 10th. Poor road conditions and worse flying weather cramped the style of many girls who would have liked to attend. But the 24 who could make it had a splendid time. After a delicious dinner, games were played and gifts exchanged.

JANCARY MEETING: The January meeting was held at the Lansing Airport with a breakfast at the airport restaurant. There were about 20 members and a full quota of $49 \frac{1}{2}$ ers present and no wonder the husbands came! They were entertained by Col. Lester J. Maitland, Director of the Dept. of Aeronautics for Nichigan, who took them on a tour of the eipport, including a trip to the oontrol tower. Guest of the 99's was the attractive wife of Michigan Governor. Williams. Margaret Windfuhr and Marion Ruth were hostesses for the day, Margaret taking time out for it even with her husbend leaving for Germany in a few days.

On the 12th of February and the 12th of March, Michitan girls will meet for breakfiast in the Women's League Building at Ann Arbor. The progran will be given by the Aeronautical Engineering School of the University.

## GREATER ST. LOUIS CHAPTER

By June Falsh
Remember the sectional meeting on April 29 and 30 in St. Louis \& Wonderful plans are in the maling. Weill tell you all about them in the March Newsletter.

Our chapter chairman, Rae Logsdon, Trudy DeVries, and Laura Sellinger flew to the races in Miami. In spite of the bad flying wather they had a good time.

A number of the members are attending ground school for thoir conmercials and your reporter is starting on a
flight inatruotor's course. Those attending ground sohool are Loretta Slavik, Rita Van Coutren, Mary Leach and Mildred Robinson.

We have several new members: Lillian Sproull, who is a lieutenant in the CAP; Carol Newsome, a model; Loretta Slavik, an executive secretary and owner of a Piper Cruiser; Rita Van Coutren, who works for Amerioan Alrlines; Mary Leach, ouner of a Cessna 140; and Mildred Robinson, a nurse at Barnes Hospital.

Fe were ahooked to hear that Dorothy Condon had been seriously injured in an automobile accidont and hope that she will soon be able to be with us again. Our sinoere symathy goes to Shirley Duval whose father passed amy.

An interesting bit of news just came our ray that Eman Wars, former Wasp and mother of two children is taldng nurse's training at Barnes Hospital and will receive her RoIN. in another two yoars.

ALL OHIO CHAPTER
By: Ann Christine Ash
Seoms rather late to be mertioning Christmas partios but I do want to tell briefly of our wonderfiul party at Mac Park Hangar, Columbus, Ohio. We had a grand attendance and the Columbus girle ment all out to see that we en= Joyed true Christmas spirit. Thanks to all of youl

Sorry I miesed the Jenuary meeting but my able assistant, Lore Kugler, sent a report of same which I submit herewith. I know that both Jeanne Hunt and Lore served as excellezt hostesses for this meeting.

Rosalie Bracht and har guest Nancy Sholle, both of Akron, won prizes for coming the greatest distance as well as being first to arrive.

Our airmarking Chairman, Martha Falter, reported on her progress, and weire all "hepped" up on maling Ohio the best airmarked state in the umion. Had a look at the map the Ohio Aviation Board gave Martha with the tows and oities already marked, shown on the map, and believe we have a pretty good start.

Helon Linn, our Chairman, was conapicuously absent (there was illness in the family) since she had promised to bring movies of that wonderful Rose Bowl game. We're going to hold her to her promise however, and have made arrangements to give her all the room she needs at the next meeting which will be in Akron.

We also received the news that the 1950 Convention will be held in Texas instead of Columbus as we had originally hoped. We did want you to come, but since there are always other years, we will invite you again.

News at random: Our February meeting will be held at Akron with airmaricing our chief topic of discussion. Dick Burwell, Ohio Aviation Board, will be our speaker. Response has been very good thus fer to the North Central Section and Ohio Chapter membership booklets, which we hope to heve in print before too long now. Don't forget those pictures galsi

[^0]Governor's home, Greenwood Cocanougher at Lexington, Kentacly, on December 3lst. It was a lovely wedding with all pilots composing the wedding party and a total of over 10,000 flying hours represented. We are still pretty much up in the air and enjoying every day of our happy marriage.
WISCONSIN CHAPTER
By: Ruth C. Lembke
Pearle Nelson was awarded the Wisconsin 99 Traveling Tray this month. Pearl found all the Stoughton baby sitters birsy one specisl Saturday evening when she and her $49 \frac{1}{2}$ er had an important dato, so she flew over to Detroit to pick up her mother who volunteered to do the job. Pearl brought her back and saved the "date". Can anyone else equal that jaunt for a baby sitter?

Deedo and Herm, the flying Heises, are Guatemala bound. The Milwaukee Journal photographers snapped their farewell at Mitcholl Field as the two took off. Gladys and Frank Dean are on their way to Guatemala too. The four will meet in sunny Mexico and join the other Cessna fliers all going South.

At the January meeting a dinner wes held in the sky room of Curtia Wright Airport at Milwaukee and pictures were taken for the North Central membership book. The photo= grapher had photogenic subjects like Margaret Sliker, Elsie Peters, Dora Fritzke, Bermadette Voelker, who had a charming corsage of roses, Jeannette Kapus, Nellie and Ingeborg Bilstead, Yary Lou Thompson and Billie Pifer.
Edna Anderson has taken over the publicity for our chapter. Bernadette Voelker directs a group of singers she can well be proud of. They sang carols for the group last month.

Caroline Iverson Ackerman, our chapter founder, was married here December 31. Deedo and Herm entertained a huge party for her. Caroline's wedding was most beautiful. It couldn't be otherwise with her as the bride. Leslie is quite all right! We welcome him into the $49 \frac{1}{2}$ er group, even though they here gone back to New York to Iive.

Dorothy Christenson continues to send interesting movies and news from Okinawa.

The February meetings will be divided--Madison and Milwaukee. We'll be expecting to hear from Gladys and Deedo about all points South.
SOOTH CENTRAL SECTION

## COLORADO CHAPTER

By: Jane Nettleblad
The first meeting of 1950 was held at the Denver University Air Center, thanks to our membership chairman, Mariía Fandrem who is in charge of the D. U. Air Center and aviation instructor for elementary education teachers and students. The girls all took tarns at the Link and Marcia gave a speech on her activities at the Center. She also played parts of the recording, "Airborne Symphony, written by Marc Blitestein.

Mary Collett was a guest at the January meeting. She is a nurse and her husband a doctor. We believe that Mary is a prospoctive member in our chapter. Betty Jo Honstein, who is in nurses training at Children's Hospital is the youngest and neweat member.

Plans were made for the third annual 99 ranch dance for raising funds for the chaptor. The next meeting will be a Chinese dinner at the Cathay Post, American Legion.

## OKLAHOMA CHAPTER

By: Ann Martin
There's a bit of "catching up" to do as far as roporting news is concerned, so we 'll start with October 22 at Municipal Airport, Oklahoma City. The New York Convention wes the main topic of discussion, with reports from Mary Francis, VelmA Moodward, Elizabeth Sewell, and Droneta Davis.

November 20 we met at the Oklahoma City Golf and Country Club for a Guest Day Affair. Thelma Lindzay, of Kichigan, was present to give our guests an interesting talk on 99's, the organization's purpose and aotivities. Sandra Masom, of 0klahoma City, was later introduced and told she had been chosen for an experimental flight training program sponsored Jointly by the Oklahoma Ariation Commission and Link Aviation. Her training will include 6 to 8 hours of primary Link instruction and enough flying tine to sol0. Luncheon was served at noon and fly-in members were returned to Wiley Post Airpark for departure.
Deoember 4th was the day for the first Annual Aerial PowWow, hold at Oklahoma City. A count of 269 airplanes, carrying between 700 and 800 pilots and passengers, arrived at Wiley Post Airpark for the occasion. Oklahoma 99's were in charge of registration. Over 120 dozen eggs, an unknown amount of bacon, some 100 gallons of coffee were served to keep the chow line moving. 991 s were asked to speak over the Public Address system, and from the announcements made, wo obtained the names of seven prospective members. No regular meeting wes held later in the month due to holiday activities.

We will miss Lynden Magee who is moving to California. Lyden lost her husband, Ted, in the Eastern Airliner crash near Washington, D. C., last October. She is making her home at: 1838 South Beverly Glen Boulevard, Los Angeles 25, California.

The first meeting of the new year was held January 15 in the new home of Elizabeth Sewell, our chairman. A program for the coming yoar was outlined, including plans for our scrapbook which is to contain a smapshot and a brief sketch of each member.

He would like to welcome each of our four new members: Bertha Hare, Wichita, Kansas; Lucille Cheotham, Arkansas City, Kansas; Krs. Harry Wiest, Lawton, Oklahoma; and Cecelia Jane Frew, Oklahoma City.

## TUSA CHAPTER

By: Marthelle Best
Ninety-lines and all birds were grounded the night we had our first meeting of this year. We had to drive in on instruments to the happiest and most successful event we have had in a long, long time. We completed the selection of officers--Una Faye Sullenger, Chairman; Jewell Pearce, Membership Chairman; and Jo Anne Roberte, Secretary-Treas.

There was much weeping and wailing over the loss of one of our most onthusiastic members, Cocile Maurer, to the lucky Florida Chapter. Our happy thoughts and good wishes go with you, Cocile.
Feematin Ross (and her $49 \frac{1}{2} \theta r$, Joe) are off to Aspen,
Colorado for $2 \frac{\pi}{2}$ weeks of skd fun. We are standing by with liniment and bandages.

We have lost another of our members to Uncle Sam. Frances Blair is now a-wearing of the "Blues" at Great Lakes, Ill.
$49_{2}^{\frac{1}{2}}$ er Karvin Sullenger took our pictures and al tho we are not at all vain, we can hardly wait to see the prints.

We had as a guest, Public Health Nurse, Margaret Johnson, who would be a valuable member and she is eligible. Here is hoping she can join in with our program for this year.

Prices of cottages are reasonable and will be given in notices sent by tho seoretary, and thoy would like all reservations to be in not later than April 20, if possible.

Wo hope for record attendance at this meeting as it will be our last chance to got together before the National Convention and get all the details of that event tied together.

## DALLLAS UNIIT

The December meeting was bold at the olubroam at Garland Airport a lovely buffet supper was served by Josophine Allison and Marie Nix. The girls paid yours truly, the retiring Director of the Dallas Unit, a vary nioe and deeply appreciated compliment with the presentation of a beautiful oorsage and one of those perfectly lovely oostume jewelry size 99 pins.

The Jenuary meeting was held in the home of Nartha Ann Reading where plans were made for helping put over the National Convention in June.

## EL PASO UNIT

During the Airshow the girls put on a shirt-tail race which cortainly drew a large audienoe. 耳e had flve planes in the race and Lois Ziler flying with Dorothy Blaclonam minning won the $\$ 50.00$ prise.

Starting last Nov, 28 the girle startod having monthly spot landing contests. The beautiful trophy goes each month to the winner, her name is engraved on it and at the ond of the year the girl who has her name on it the most times gets to keop it permanently. The first contost was won by Lois Hailey in an Erooupe. Tony Page was one of the judges for the first contest. She was quite sold on the idea. -- we will probably be reading about it in her columa.

## OREGON CHAPTER

## By:Kay Hoffmillor

Find, snow, ioe, wrinkled fenders - that sums up the state-wide situation here in Oregon. A splendid week-ond at M. Hood was oancelled in January because of snow and ice conditions throughout the state. We have hopes of having a moeting in February, the last Saturday of the month, in Portland. Notices will be sent soon.

Fe have another new momber. Thelma Wildman of Oakgrove.

## LOS ANGELES CHAPTER

By: Betty Loufek
The Los Angeles Chapter started nut the New Year with a swell dinnor-mooting at the Los Alamitos Naval Air Base on January 11. We had a steak dinner-at a dollar apiece, gais--then members of the Naval Station personnel showed us the ultra-sonic radar trainer in operation. Then we saw the radar scanner in actual operation. We watched Santa Catalina Island flash on the viewing soreen, and also a storm somewhere out to sea. Later that evening, we saw movies on the GCA landing procedures. These were fascinating to us all, but especially so to De Thurmond. She's already made a praotioe landing.

About thirty members and guests were present for this meeting.

Here's a real scoop - only 6 weeks old. Our chairman, Mary Jane Livingston, is back from Atlanta. I had dinner with her Thursday and she told me so. With this bit ui' enlightenment, I shall hurry and get this in the mail because I wouldn't want you-all not to know what's going on in Washington and, besides, Mary Jane will descend upon mo in that T-Craft of hers.

See you at our next Chapter Meeting, to be held at Vera Foster's on February 16. By the vay, before you see Vera, rasd her swoll new article in "Air Facts" for February.

## EASTERN PENNSYLVANIA CEAPTER

Great day in the morning What a meeting we had at Lancaster on Januery 22ndd A good many members of our chapter must have taken my advice seriously to start the new yoar right by coming out to the January meoting because they sure turned out.

After cocktails at Roy Golte's Garden Spot Airport wo gravitated to Wiggins Restaurant downtown for delicious food salted with plenty of conversation, which onded on luscious mouthfuls of strawberry chiffon pie.

Those of us who weren't fortanate enough to get to Florlda for the Air Maneuvers heard the highlights from Vi Delp, with corroboration from Ethel Evans. Incidentally, Ethol and her husband had a heartbreaiding experience down therethey came back to their Cessna to find the new ormi-range receiver which Ethel had just given her husbend for Christmas had been literally yanked out by the wires and carted off to parts unknown by some no-good, low-down, so= and-so.

In addition to all the other talking we did have a business meeting, and Chairman Ruth Shafer announced two cormittees: Scrapbook - Ethel Evans
AE Scholarship Fund - Hazel Heist, Lillian Mark and
Then to get us in the mood for our approaching vacation jaunts, Nell Richards and Howard Eckhert set up a projector from Nell's shop to show us how American Airlines could take us to the Soandinavian countries. That colored film was absolutely the next best thing to going there ourselves. Thank you, Lillian and kary Jane, for arranging it.
"And so, with pleasant thoughts of Lancaster, in the heart of the Pennsylvania Dutch country, we leave you." The next feature of this travelogue series will be recorded in the fair city of York, Pemnsylvania, about March 5th.

CAROLINAS CHAPTER
By: Caroline Hembel
The Carolinas Chapter held their first 1950 meeting in the sandhills of North Carolina at resort fanous Pinehurst. The weather was balmy and perfect for flying. We were met at Knollwood airport by the hosts, Estelle and Carl Bradshaw and a prospective member, liargaret MoKenzie. Fonda Hyatt, Northern Now England member, but well known to the Carolinas charter members, also welcomed us.

Our business meetine and dutch luncheon was held at beautiful Mid-Pines Club, appropriately named because of its lovely surroundings of long-leafod pines, yellow jasmine and camellias.

Dot Shackelford, governor of the Southeastern Section, presided at the opening of the meeting since the chairman, Amalie Stone hed not arrived. The minutes of the October meeting were read and treasurer's report given. Dot Shackelford presented the chapter with a beautiful scrap book. A motion was moved and seconded to allow the section governor and chapter chairman to set the dats for section and chapter meeting in April.

Two prospective members, Harriet McGraw of Carthage and Margaret McXenzie of Pinehurst, were introduced to the
chapter by Estelle Bradshaw, member of the mombership comittoe.

Due to the weather predictions and late hour, much business was omitted and the chapter adjourned to the airport to return home. There we found an enthusiastic crowd of onlookers waiting to see the women pilots do spot landings.

There were ten members, four $49 \frac{1}{3}$ 'ers, two prospective members and one visitor present.

## FLORIDA CHAPTER <br> By: Ann Ross

It's here againl Another all women air show--this one to be called THE NINETY-NINES: ALL HOLIWN AIR MAYEUVERS, co-sponsored by the Fest Palm Beach Aero Club and the CAP with the full assistance of the Chamber of Comerce, City of West Palm Beach, County of West Palm Beach and all other civic olubs. The dates of June 17 and 18 have been selected for the two-day show. Fie selected these dates because we feel that more members will attend and enter the events we offer if they can tie the show in with our oonvention dates in Texas, June 2l-25. The international race from Montreal to West Palm Beach will be run again this year with the usual large prize money.. the dates for it being set for June 15 and 16. We hope to have the Powder Puff and other derbies again. There Will be the usual closed courso races in addition to many special features not used before.

West Palm Beach is going all out for this show and the races. There will be entertainment of. all kinds that will out shine baything wo have dreaned of befores! The oity offers a free tank of gas, oil and tie-dow, free room, entertainment and transportation for each participant and room as low as $\$ 2.00$ for all other Ninety-Nines who attend the show. And, last but not least, the money for this show has already been appropriated and we do not have to "beg and borrow." We feel that at last we can say. "those days are gone foreverl"

Information wlll be sent to each of you as soon as it leaves the press and we will keep you informed of the progress through the NEWSLETTER.

Kuch to our disappointment this yoar we lost the Transcontinental Race to another chapter. Although we had hoped to have it come to Florida along with the other races and air show, we are sure they will be received royally by the chapter entertaining them this year.

Plan your vacation for June in Florida as usuel, then on to Texas 8

## LAST FLIGHT
