

W.A.S.P. Luncheon

Sponsored by The Ninety-Nines, Inc.

To Honor the Women Airforce Service Pilots for their Service

Of the hundreds who volunteered only a few remain to tell their stories. Many plan to attend the luncheon. Be a part of living history and join us in honoring their service.

"If the nation ever again needs them, American women will respond. Never again will they have to prove they can do any flying job the military has. Not as an experiment. Not to fill in for men. They will fly as commissioned officers in the future Air Force of the United States with equal pay - hospitalization - insurance - veterans' benefits.
