### Membership Directory Information

The 99s' Online Directory contains up-to-date member contact information and is a valuable resource for connecting with other members and 99s chapters. The Directory is available exclusively in the secure, password-protected Members-Only section of the 99s web site. We do not sell or otherwise share our members' contact information or the membership list. Members may order and purchase a printed or CD version of the Membership Directory, which is updated only once a year, on the Members-Only section of the 99s web site at [www.ninety-nines.org/](http://www.ninety-nines.org/).

I DO NOT want my contact information to appear in the directory.
